CAN HYPNOSIS HELP YOU?

Oct. 12 from 1-2pm

Join us for a demonstration of hypnosis and learn ways that it can help with many health conditions for people of all ages. If you've ever wondered if hypnosis might help you this is the chance to find out more about it, free of sales pitches. Please register on our website.

MUSIC THROUGH THE DECADES

Oct. 22 from 1-2pm

Using keyboard, trumpet, and vocals David brings alive the music of George M. Cohan, Irving Berlin, Fats Waller, George Gershwin, Hoagy Carmichael, and a host of others. David engages the audience, taking questions, performing requests, and telling anecdotes about famous musicians as well as some about his own life as a musician. Register online to save your spot!

HARVEST FEST!

Oct. 29 from 10am-2pm

Harvest Fest this year will include a chili and chowder contest, children's costume parade, henna tattoos, scarecrow making, incredible raffles and more! Go to friendsofthenewburytownlibrary.com for more info!

GENEOLOGY CLUB

Oct. 13 from 5:30-6:30pm

If you've done some family research but didn't get very far, or have never done any and are wondering where to begin, a club might be just the right place for you to receive ideas, resources and motivation to delve into researching your ancestors. Join us an informational/introductory meeting to talk about: what you would like to gain from the club, how you would like to see it set up, and the best times for meeting. For more details, please go to our website.

iPAD FOR BEGINNERS SERIES

Oct. 19 from 6:30-8:30pm

**NEW* Free 5-week Class: iPad for Beginners*

Are you a new iPad user? Are you thinking of getting an iPad? Can't understand what an iPad does or why you would use one? Come experience a free hands-on workshop using your own device or share one of the Library-provided iPads. For those who have little or no experience with the iPad. Details on each class can be found on our website!
