

# Giving Back to Our Community

---

The Council on Aging assists elders in receiving free dental care through their collaboration in ***“Giving Back to the Newbury Community”*** with **Parker River Dental**. This program promotes oral health for Newbury’s elder community members and encourages routine care with Spring and Fall appointments. Twice per calendar year, Parker River Dental opens their practice, volunteers their time and services. The practice welcomes senior residence as patients with a complimentary comprehensive dental exam, dental cleaning, digital x-rays and oral care products.

Contact the COA Director, Martie Smith-Joe at (978) 462-8114 for forms.
