In Newbury we have quite a lot of very well to do residents.

We reviewed the expense and income reports on screen via Erica screen sharing. Our expenditures are in line with the percent of the year that has been expended.

The Town Administrator did not attend our meeting, so we did not have a Town Administrator's report.

We reviewed the warrant for the ATM via screen sharing on Erica's computer.

Article 5: FC Voted Unanimously to have this be the will of the town.
