VI. New Business:

Patrick Sasso, provided an update on the installation of a flag pole the Central Street Playing Fields. The anticipated start date is June 11th and will be completed on the 12th. Celine motioned , seconded by David B. to confirm the Committee's support of the project.

Michael stated that RUSH has not submitted CORI and an insurance binder for the Spring season. Payment has not yet been received either. Mark was very concerned that we are setting precedent, by allowing a Permit Holder access to the field without having the necessary documentation on file. Mark will reach out to get the required documents. RUSH also applied for summer use, from June 21st through July 29th for a total of 15 hours. Mark motioned to conditionally approve (meaning all documentation for both Spring and Summer sessions have been submitted and accepted) the application, seconded by Celine,. Motion passed.

Alicia mentioned that a number of minutes that have been approved are not on file while there are a few that have not been located and need approval.
