

# Where is my Ballot?

***The projected date for ballots to be delivered to the Clerk is Oct. 9<sup>th</sup>. Please be patient, your ballots will be mailed out as soon as possible once we receive them.***

Voters who have requested an Absentee or Early Vote by mail ballot now have the ability to track their ballot through the Massachusetts Secretary of State's website at: <https://www.sec.state.ma.us/wheredoivotema/track/trackmyballot.aspx>

## Who can track their ballot?

All registered voters in Massachusetts should have received an application to apply for a mailed ballot. Voters should complete and return the application in order to receive a ballot by mail, or may choose to vote early in-person or at the polls on Election Day. Mailed ballots may be returned by mail or delivered to the official ballot drop box located on the right-hand side of the driveway at 12 Kent Way. If you have requested a mailed ballot, no matter how you return your ballot, you may track its progress and know when it has been received for counting!

## How does Track My Ballot know where my ballot is?

Track My Ballot takes the information directly from the Voter Registration Information System that is used by all towns and cities in Massachusetts, the same information the Town Clerk's office uses to track the ballots it issues and receives back.

## I cannot find any record of my ballot, now what should I do?

If you think you have already submitted your Vote by Mail Application for the Nov. 3<sup>rd</sup> Election, ensure you are typing in your current address correctly. If you have moved within the last few months you should check to make sure you have changed your voter registration to reflect your new address - you may need to reapply:

**You still have time!!!! You can register to vote until Oct. 24<sup>th</sup> at 8 PM and request a Vote by Mail Ballot until Oct. 28<sup>th</sup> at 5 PM.**
