D-Series Size 0
LED Area Luminaire

Introduction
The modern styling of the D-Series is striking yet unobtrusive—making a bold, progressive statement even as it blends seamlessly with its environment. The D-Series delivers the benefits of the latest in LED technology into a high-performance, high-efficiency, long-life luminaire. The outstanding photometric performance results in sites with excellent uniformity, greater pole spacing and lower power density. It is ideal for replacing up to 400W metal halide with typical energy savings of 70% and expected service life of over 100,000 hours.

D-Series Size 1
LED Wall Luminaire

Introduction
The D-Series Wall Luminaire is a stylish, fully integrated LED solution for building-mount applications. It features a sleek, modern design and is carefully engineered to provide long-lasting, energy-efficient lighting with a variety of optical and control options for customized performance. With an expected service life of over 25 years of nighttime use and up to 74% in energy savings over comparable 250W metal halide luminaires, the D-Series Wall is a reliable, low-maintenance lighting solution that produces sites that are exceptionally illuminated.
