From the Director
By Cindy Currier

We hope everyone is having a happy holiday season so far! We have lots of things happening at the Newbury Council on Aging. Be sure to check out all of our program options listed throughout this newsletter.

We are happy to report we have two new Van Drivers! Otto Kinzel and Joyce Crary have joined our team and will be bringing seniors on local shopping trips to Market Basket, Seabrook Commons, and Kohl’s, as well as to local restaurants for lunch and other fun trips. Look at the enclosed calendar to see where we are headed and when, and call us to reserve your spot on the van. Want to go someplace we have not mentioned? Let us know!

You may have seen the Select Board Meeting in October or read about the plan for a temporary location for the Newbury Council on Aging. The Select Board voted to use ARPA (American Rescue Plan Act of 2021) funds to lease space at 12 Kent Way in Byfield as a temporary measure until a permanent home for us can be found. Once we have more information, we will certainly share that. For now, you can still find us at the Newbury Elementary School at 63 Hanover Street, Door 29.

Lastly, we love to hear from you to learn about what programs you like, what you would like to see offered, or if you would like to share a skill or hobby with other seniors in town. Call us or stop by...we look forward to hearing from or seeing you. Wishing everyone a Happy Holiday season!

The Newbury Food Pantry provides healthy, fresh food with compassion and respect to all who are in need. You can place your order online at www.newburyfoodpantry.org or call 978-358-1077 and leave a message with your name and phone number. One of their dedicated volunteers will call you back to take your order. Orders are accepted all day Wednesdays and until 12pm on Thursdays. For those who do not have transportation or are immune-compromised, contact-free delivery can be arranged. Otherwise, orders can be picked up at 89 Hanover Street (on the right immediately after the railroad tracks when approaching from Route 1) by appointment on Fridays.

Understanding Fraud & Scams
Lunch and Learn

Come join us for a presentation about how to prevent yourself from becoming a victim of fraud and scams. The Newbury Police will host this event in their Training Room on the second floor of the new Police Station at 7 Morgan Avenue on Monday, December 13th at 12:00 pm. This is a collaboration of the Newbury Council on Aging, The Newbury Police Department, Newburyport Bank, and Tom Howard of Howard Consulting. We will share information in an interactive format that allows for learning and participation from the audience. Learn how to identify scams and what to do if it happens to you. Lunch will be provided by the Newburyport Bank and a special fraud prevention gift will be given to all participants.

Registration is required for this event as space is limited. There are only 24 spots available. Call the Council on Aging at 978-462-8114 to save your spot!

Need a ride? Give us a call! Our van is available to pick seniors up and provide door-to-door transportation. When you arrive: park in the Police Station parking lot. Enter the building through the front entrance on Morgan Avenue. Stop at the window in the Lobby and let them know you are there for the fraud program and a Newbury Police Officer will buzz you into the elevator. Take the elevator to the second floor; Martha will direct you to the Training Room.

Covid-19 Booster Shots

To find locations of Covid-19 booster shots, visit www.vaxfinder.mass.gov and enter your zip code and the manufacturer you would like, and a list of locations will pop up. Need help? No problem! Give us a call at 978-462-8114. We can help register you for an appointment to receive your booster shot.

Prescription Assistance
Through generous donations from the annual Chocolate Tour in Newburyport and additional generous donations from the Central Congregational Church in Newburyport, the Newbury Council on Aging has funds available to assist our seniors with filling prescriptions. Do you not fill a prescription because of the cost? Do you take less than the prescribed dose of a medication to avoid having to pay for a refill? Are you going through a difficult time and need some financial assistance with filling prescriptions? We are here to help you. Please call Janet DelMare at 978-462-8114 to learn more about how we can help.

Seniors & Celebrating the Holidays
Navigating this time of year with your loved ones can be an emotional and stressful time. Forty-three percent of older adults report feeling lonely on a regular basis, according to the U.S. Department of Health and Human Services. During the holidays, those numbers may be amplified, thanks to the “holiday blues,” which can cause irritability, fatigue, and sadness, according to the American Psychological Association. Knowing how to care for and support your family in small ways can help reduce some of that loneliness and help you connect on a deeper level. The following are a few suggestions from professionals that will help you enjoy the holidays:

Try to:
• Prioritize making some of your favorite meals and treats.
• Include family members in planning meals, activities, etc.
• Look at family photo albums and reminisce about times past.
• Revive old family traditions.
• Keep loved ones involved.
• Enjoy the moment!

Try not to:
• Make decisions for others.
• Expect just happy emotions.
• Force things.
• Overbook yourself.

Whatever your holiday season looks like, stop and relax into the holiday magic! Remember: your time and attention are priceless gifts.

Digital Access Program
Want to get online but need a computer or related training? A new program provides individuals with a free tablet computer, training, and internet services through a partnership with Fidelity House of Haverhill.

The Digital Access Program is designed to bridge the digital divide between those who can access the online world and those who cannot. Participants receive a tablet computer, a data package if needed, and in-person training about using the computer and the internet - free of charge. This program is made possible with funding from the NiSource Charitable Foundation Fund for Merrimack Valley and the George C. Wadleigh Foundation, Inc.

The program is open to anyone, regardless of age or skill level, who wants digital training. Residents of Lawrence, Andover, and North Andover - the communities affected by the 2018 Columbia Gas explosion - are especially encouraged to apply.

Training is customized to fit individuals and their needs, varying from internet basics to social media or learning about advanced features of Zoom. If participants need a data plan/wi-fi access, the program pays those fees for up to one year. If, after six months, they are using the tablet to engage successfully online, it becomes theirs at no cost.

To learn more or apply for the program, contact Community Outreach Program Manager Nandi Munson at nmunson@esmv.org or call 978-946-1380.
Transportation Information

Need a Ride? NEET Drivers Can Help!

NEET (Northern Essex Elder Transport) is a non-profit volunteer program. Volunteers drive seniors to medical appointments and other local errands. You must register with NEET as a rider in order to access this convenient service. Most drivers offer local rides, but we do have a couple of volunteer drivers who will take seniors further, including into Boston. This is a volunteer service and rides cannot be guaranteed, but we do our best to match a volunteer driver with our seniors. Contact us at The Newbury Council on Aging at 978-462-8114 to request your registration packet and to schedule your ride. Registered riders need to provide at least three business days' notice prior to their requested ride. Just a reminder: the Council on Aging is closed on Fridays.

Please note: You will need to provide the following information in order to schedule a ride: date and time of your appointment; duration of your appointment; physician's name, address and telephone #.

Van Services Through The Newbury Council on Aging

The Newbury Council on Aging van is making weekly trips to Market Basket, Seabrook Commons, other shopping locations, the Newbury Town Library, as well as special day trips to local restaurants. Do you want to join us for one of these trips? All van riders must be registered and you must reserve your spot on the van each week. Give us a call at 978-462-8114 to request your registration form and reserve your spot. See page 10 for a schedule of where we are headed and when.

Please note: Due to space limitations, we ask that riders limit their purchases to four (4) bags. Our Van Drivers can assist seniors with their purchases to their door, but it is the policy of the Newbury Council on Aging that they cannot enter the senior’s home.
Newbury Town Day Cookbook

Here’s a wonderful opportunity to be a part of creating a lasting keepsake for the Newbury community and beyond: “The Community Cooks” cookbook. The idea is to weave the story of Newbury – past, present, and future – through treasured recipes and shared memories. “The Community Cooks” is one of many initiatives underway for Newbury Town Day, the town-wide, family-friendly day of fun being planned for June 18, 2022. The cookbook committee is collecting recipes and stories November 15, 2021 through January 9, 2022, with plans to have the cookbook in hand sometime next May for a price of about $15.

Contributing your recipe is simple! Log into: https://www.typensave.com/get-started/
User Name: Newbury
Password: tomato626

Type in your recipe, and you’re all set! A few important notes:

• All recipes included must have a name attribution. You may include your neighborhood when you enter your last name; for example, “Smith, Old Town.” You are welcome to submit recipes of your own, or on behalf of a family member, neighbor, and so on. If you wish, you can add another name “On behalf of” in “Additional Contributor.”
• Please do your best to verify the accuracy of submitted recipes. The cookbook committee will proofread, but will not be able to test all recipes.
• Think variety and originality to help fill out the menu and avoid duplication. How about your family’s favorite vegetable stew or neighborhood Superbowl party meatloaf? Please note that the committee might not be able to print every contribution, but they will all be kept on file for possible future use.
• Recipes should be accompanied with a brief story of 65 words or less, entered in “Recipe Notes” at the bottom. For example:
  ◦ PlumFest Punch – Matt Marsh, Plum Island, on behalf of the Marsh family. During PlumFest, we invite folks to stop by and serve them this island- and music-inspired cocktail.
• If you have any questions or are unable to enter your recipe, please email newburytownday@gmail.com with “cookbook” in the subject line.

Want to contribute but do not have a computer? No problem! Call us at the Council on Aging and we can help you. Thank you so much for participating in this great project!
