Greetings from the Director!

By Cindy Currier

Included in this newsletter is a survey about the needs of the Council on Aging. Please help us by completing the survey and dropping it off at one of the locations listed on the back.

The Newbury Board of Health has been working in conjunction with eight other communities to schedule vaccine clinics, but the Commonwealth is diverting vaccine supply to the mass vaccination sites. Phase 2, Group 1 is now eligible (those individuals 75+) to receive their vaccine. Phase 2, Group 2 is also eligible (those individuals 65+, those with two eligible conditions, and residents & staff of low income and affordable senior housing). If you are interested in getting on a wait list for potential local clinics, please call the Council on Aging at 978-462-8114. Once we are notified of an available clinic, we will call you and help you register. Another option is to visit www.mass.gov/covidvaccine to find clinics throughout Massachusetts. The mass vaccination sites allow one trusted caregiver to register for a vaccine if they are accompanying an individual who is 75+ to their appointment. Finally, several CVS retail locations are holding clinics. To see if there is a location nearby, visit www.cvs.com/immunizations/covid-19-vaccine for more information.
COVID-19 NEWS

VACCINE CLINICS

Call the Council on Aging to get on the waitlist for local Covid-19 vaccine clinics. We will call you once we know there is a clinic scheduled and we will help you register for your appointment! There are currently no local clinics scheduled.

QUESTIONS?

You can call us at the Council on Aging with any questions. You can also visit www.mass.gov/covidvaccine and scroll through that page for links to the most up-to-date information from the Commonwealth.

MASS SITES

The mass vaccination sites continue to offer the largest # of appointments. These mass sites add vaccine appointments weekly on Thursdays. Once you are eligible, visit www.mass.gov/covidvaccine to schedule an appointment. No access to the internet? No problem! Call 2-1-1.
COVID-19 Vaccine Scam Alert

By John R. Lucey Jr., Newbury Chief of Police

As the COVID-19 vaccine becomes more readily available to the public, the potential for fraudulent schemes increases. The U.S. Department of Health and Human Services Office of Inspector General is alerting the public about fraud schemes related to the novel coronavirus (COVID-19). Scammers are using telemarketing calls, text messages, social media platforms, and door-to-door visits to perpetrate COVID-19-related scams.

If you are interested in receiving the COVID-19 vaccine, you should coordinate the appointment through valid medical sources, such as your primary healthcare provider, established medical facilities or the local Board of Health.

If you believe you’ve been the victim of a scam, please call the Newbury Police Department as soon as possible. For more information on COVID-19, visit https://www.townofnewbury.org/home/urgent-alerts/covid-19-newburystate-information-when-can-you-get-covid-19-vaccine

MARCH/APRIL 2021
Thank you, Volunteers!

On behalf of the staff of the Council on Aging and the residents served, we thank all of the volunteers who have stepped forward in the past several months to meet the needs of so many during these unprecedented pandemic times. Volunteers have delivered library materials, groceries, and emergency backpacks to those who are unable to be out and about. Other volunteers have been making regular wellness calls to seniors who are isolated and are in need of friendly conversation. This newsletter was folded and prepared for mailing by several volunteers who spent hours around tables at the Council on Aging so that we can let everyone know what is happening. Some of you have taken advantage of the NEET (Northern Essex Elder Transport) program for rides to medical appointments. This is a volunteer-based program that several of Newbury’s residents support. The other groups that need a big SHOUT OUT of THANKS are the members of the Board, the Expansion Committee and the Friends of the Newbury Council on Aging Board. You are all amazing! We are so grateful for everything that many so folks do behind the scenes on a daily basis to enhance the quality of life of Newbury seniors. Your partnership with the Council on Aging staff is invaluable!

REMINDER FOR ALL VOLUNTEERS:
Please continue to submit your volunteer activity reports to Karen either by email (coa@townofnewbury.org), drop off at the Council on Aging, or by US Mail (63 Hanover Street, Newbury). Feel free to send them in monthly, noting each date/time that you volunteer. Keeping track of these hours is necessary for our annual reporting to the Executive Office of Elder Affairs. THANK YOU for all you do!

Volunteers Needed!
NEET Drivers to Drive Newbury Residents to Vaccine Clinics

At this point the volunteer venue that needs support is NEET - Northern Essex Elder Transport. NEET is a collaborative program with several other towns to provide transportation for seniors to get to medical appointments and other errands in the area. Right now during the urgency to get seniors to COVID VACCINE appointments, volunteer drivers are needed. Volunteers can sign up for short term commitments (3 months) to help get seniors to the local vaccines sites (including Danvers and possibly Fenway Park). COVID screening protocols are in place for your protection, as well vaccine access for volunteers (at the mass vaccination sites). If you are interested in volunteering, please call Karen at 978-462-8114. Thank you!
Please Welcome Our New Van Driver, Jim Long

We are happy to report that we have hired a new van driver! Jim Long is a resident of Byfield who has extensive experience as a CDL licensed driver. Jim has already driven a couple of residents to their Covid-19 vaccine clinic and he is ready to take others to their vaccine appointments, as well as shoppers to Market Basket on Tuesday mornings. Jim may also be available to drive you to a local medical appointment. Due to Covid-19 protocols, we are limited to two passengers in the van at one time. Masks must be worn at all times.

Call Karen at 978-462-8114 to register as a Van Passenger and to schedule your ride!

Northern Essex Elder Transport (NEET)

Great news! Newbury has several NEET drivers who are ready to drive passengers to medical appointments, vaccine clinics, and for other local errands. Availability is limited and due to the Covid-19 pandemic there is new paperwork to complete prior to being able to schedule a ride. There are also Covid-19 protocols to adhere to, including wearing masks at all times.

Please call Karen at 978-462-8114 to request your paperwork in order to schedule a ride with a NEET driver.

Want to be a NEET driver? Call Karen to be connected with Ginny Salem, Administrator of the NEET Program.

Outdoor Coffee & Chat Event

Join us on Thursday, April 22nd beginning at 10:30am outside the Council on Aging at 63 Hanover Street for a socially distanced coffee hour. Purchase coffee and pastries from the Changing Tides food truck and have a chance to meet with our Town Leaders (Administrator, Select Board, Council on Aging Board of Directors, and other Town officials). Bring your own lawn chair to sit and enjoy your treats with other Newbury residents or swing by to take yours to go. Have questions? Give us a call at 978-462-8114.
Library Book Delivery!

Did you know that the Newbury Council on Aging has partnered with the Newbury Town Library to deliver books and other library materials to home bound seniors? Call the Library at 978-465-0589 and ask to speak with Jane Wolff, Circulation Librarian, to become a part of this program. The Council on Aging currently has two volunteers who deliver and pick up library materials to homebound seniors every Friday.
Activity Kits Available!

Thanks to a grant from Elder Services of the Merrimack Valley & North Shore, the Newbury Council on Aging has prepared activity kits for our seniors to be creative and have some fun at home! Call 978-462-8114 to reserve your kit. Supply is limited, so call today! Pick up is at the Council on Aging at 63 Hanover Street. Can't make it? Ask for delivery and we will try to arrange that for you.

Kits available:
- Paint by number kits - Simply follow the numbers on the canvas using the included acrylic paints to create a masterpiece! Three kits available.
- Adult coloring books with colored pencils - Coloring and patterning are relaxing, meditative activities that encourage self-expression and offer an easy way to de-stress. Three kits available.
- Stonewall Kitchen baking mixes - choose from Blueberry Muffin Mix, Cornbread Mix, or Cinnamon Swirl Quick Bread Mix. All kits come with a wooden spoon and baking pans. Three of each mix available.
The Friends of the Newbury Council on Aging is a nonprofit 501c3 organization formed to support and enhance the programs and activities of the Newbury Council on Aging. The Friends' primary purpose is to raise funds through membership dues, donations, fund raising events, grants, and gifts.

The Friends' support has enabled the Newbury Council on Aging to hold special programs such as the annual holiday and volunteer luncheons. The Friends also pay for the gasoline for the Council on Aging van to take seniors to the grocery store, on local day trips, and most recently to a Covid-19 vaccine clinic. The Friends also supported the Council on Aging by purchasing new batteries for the automated external defibrillator (AED) machines. Their support is invaluable to furthering the mission of the Newbury Council on Aging to be a resource to and advocate for programs and services that enhance the quality of life for the seniors in our community.

The Friends are looking to grow and have others with great ideas and energy join their efforts to support the Newbury Council on Aging. Are you looking to help an organization in your community by donating your time and offering ideas? Can you help with social media? Do you have fundraising experience or grant writing experience? Do you have an interest in legal or financial services? The Friends of the Newbury Council on Aging could be a great match for you! The Friends welcomes Newbury residents of all ages to join. Virtual meetings are held once a month for about an hour. If you or someone you know are interested in learning more about this important group, please fill out the form below and mail it to The Friends of the Council on Aging, 63 Hanover Street Newbury, MA 01951. Or call the Council on Aging at 978-462-8114. A staff member can take your information and a member of the Friends will get back to you.

Next Grab and Go Meal March 17th!

Due to the Covid-19 pandemic, we are unable to offer meals to our community at the Council on Aging. But we have an alternative: Grab and Go Meals! These free meals are provided by the Newbury Council on Aging in collaboration with Elder Services of Merrimack Valley and the North Shore's Traveling Chef Program.

We are offering our next Grab and Go Meal on Wednesday, March 17th...St. Patrick's Day! Menu: Corned beef au jus, parsley potatoes, cabbage and carrots, rye bread, and green cake for dessert. 50 free meals have been ordered and they are going quickly, so please call the Council on Aging at 978-462-8114 to reserve yours. Grab and Go Meals will be available for pick up after 11:30am on Wednesday, March 17th at 63 Hanover Street. Call upon your arrival and a staff member will deliver your meal to your car. For five of these meals, we are able to offer home delivery. If you are a homebound senior with no ability to have your meal picked up, call us to reserve your delivery spot. And be sure to call us at the end of March for April's Grab and Go date and menu. Bon Appetit!
