Re: 1 Marsh Meadow Lane, Newbury, MA

To Whom it May Concern:

I have been asked by the town engineering consultants to comment as to why there is no drainage in the proposed parking spaces on Lot 6 also known as 1 Marsh Meadow Lane. The reason for this is all the parking shown is either an existing gravel or grass surface and are only designed to be used on a temporary basis. They are not permanent parking spaces. These spaces are not impervious and as such drain adequately in the existing condition.

Very truly yours,

Peter J. Ogren, P.E.,
