Newbury COA located at Newbury Elementary School (Door 29),
63 Hanover Street, Newbury
Please call 978-462-8114 to reserve your seat as our Senior Center is small and seating is limited.

Back by popular demand! We hosted the presentation of “Meet Julia Child” six years ago and people have remembered it ever since!

Meet Julia Child! - the beloved French Chef. A live performance featuring Lynne Moulton as Julia Child doing what she did best. Learn more about her life – from her privileged childhood in California when she had no interest in food, except for eating what the family’s private chef prepared – to becoming one of the culinary legends of all time.

The audience will have the opportunity to view Julia on the set of The French Chef television show, an amusing and fun experience! After the performance, the cast will open up the floor for discussion regarding Julia Child.

In 2003, Delvena Theatre Company, hearing the call of schools, colleges, libraries, historical societies, senior centers, housing and private organizations, decided to present productions in non-traditional spaces. The company creates “edutainment” - original shows designed to educate as well as entertain.

This is a free performance! Please arrive at around 12:50 p.m. to get seated. If you need a ride to the Senior Center, call 978-462-8114 and we will pick you up with our van. Refreshments will be served. Hope to see you there!

Every May, the Administration for Community Living leads our nation’s observance of Older Americans Month. They are pleased to announce the 2019 theme, “Connect, Create, Contribute,” which encourages older adults and their communities to:

- Connect with friends, family, and services that support participation.
- Create by engaging in activities that promote learning, health, and personal enrichment.
- Contribute time, talent, and life experience to benefit others.

Communities that encourage the contributions of older adults are stronger! By engaging and supporting all community members, we recognize that older adults play a key role in the vitality of our neighborhoods, networks, and lives.

Everyone benefits when everyone can participate. We encourage you to connect, create, and contribute for stronger and more diverse communities this May, and throughout the year. (The website for the Administration for Community Living is http://acl.gov)

For Laughs

A guy is reading his paper when his wife walks up behind him and smacks him on the back of the head. He asks, "What was that for?" She says, "I found a piece of paper in your pocket with 'Betty Sue' written on it." He says, "Jeez, honey, remember last week when I went to the track? 'Betty Sue' was the name of the horse I went there to bet on." She shrugs and walks away.

Three days later he’s reading his paper when she walks up behind him and smacks him on the back of the head again. He asks, "What was that for?" She answers, "Your horse called."

SPRING CLEANING TIPS FOR SENIORS

Spring is a time for fresh starts, especially with cleaning and organization. As the warm weather approaches, most people can’t help but embrace the tradition of spring cleaning, senior citizens included. While spring is a popular time to get down and dirty with house cleaning, it can be overwhelming for seniors if not planned correctly. Learn about some tips for senior citizens that will make spring cleaning a breeze.

REACH OUT FOR HELP - While rewarding, spring cleaning can be a stressful time for anyone tackling a home alone. Invite friends and family over to help not only make the project more efficient, but also a fun bonding experience. With more helping hands on board, the project will be done in no time. In addition, you’ll have the help you need to move bulkier items like bedroom sets and chairs.

MAKE A LIST - When tackling a job as big as spring cleaning, the more organized you are the better. Write down all of the rooms that need to be cleaned, and assign chores to anyone who is helping. The work will be better distributed and nobody will be confused about what their role is, making the job go by that much faster.

PLAN A DAY - Instead of inviting everyone over right away and immediately cleaning on a whim, pick a day and time that works best for all of the volunteers involved. Create a schedule and dedicate an allotted amount of time to each room so that nobody feels overwhelmed or rushed to finish the job.

CLEAR AWAY CLUTTER – A great way to start the spring cleaning process is to address any trash or unused clutter that’s taking up a large amount of space. Before you begin the organization process, throw away any unwanted items that you come across. This will decrease the amount of objects that you have and make every day cleaning simpler. Plus, getting rid of items you no longer use makes more room for new items!

OBSERVE SAFETY FIRST - When conducting your spring cleaning, go through your medicine cabinet for any expired pills. Ensure that you are taking your medications regularly. In addition, if you have any emergency devices in your home make sure that they are all working effectively.

While spring cleaning can be a stressful time for senior citizens, it doesn’t have to be when loved ones are willing to help. Don’t take on spring cleaning alone this year! Make sure to follow these cleaning and organization tips. This post brought to you by Glengariff Healthcare Center, a nursing home in Glen Cove, NY.

Tips from the COA: When your family asks you what you would like for Mother’s Day (or your birthday), ask for a day of cleaning. If a whole day is not needed, ask for a morning or an afternoon of help around the house. Some members can do yard work and some can clean the house. Offer coffee, juice, muffins for morning or offer pizza and cold drinks for the afternoon! Don’t feel guilty for asking. If it’s difficult for you to do heavy duty cleaning, such as moving furniture, or getting down on the floor, please let your family know how much you would appreciate the help. Or, family members can chip in to pay for a house cleaner and/or a yard clean-up crew as a gift for Mother’s Day or birthday!

N.E.E.T. (Northern Essex Elder Transport)

This program provides rides for elders to medical appointments. Arrangements should be made at least 3 business days in advance by calling the COA office at 978-462-8114 (we are closed on Fridays). Once the ride is arranged, the volunteer NEET driver will call you the day before the ride. A donation of 43 cents per mile is suggested to help support the program, but no one is turned down due to an inability to pay. Reservations must be made through the COA and clients should not call the drivers directly. Also, we have been receiving many requests from clients for doctors’ appointments going to Peabody, Danvers, Burlington and Boston. A lot of our drivers prefer not to travel that far, so we are in need of drivers willing to drive longer distances.

A Lost Family Pastime

Remember when the entire family jumped into the car for an afternoon drive? Family afternoon drives aren’t as common as they once were. In the “good old days,” families often got in the car and just drove with no real itinerary or plan and no destination or goal. The journey was simply about spending a lazy afternoon together, and it was usually on a Sunday. Of course, back then, stores were closed on Sundays... gas was a lot more affordable... and lives seemed a lot less hectic.
