Don’t Let the Art of Letter Writing Disappear!

Our very own Newbury Elementary school is looking for your help to make sure this doesn’t happen with a new PenPal program.

We are looking for 18 Senior volunteers to be matched with our elementary students to write letters to one another as part of our NEW PenPal program. We will pair you with an elementary student and then have a meet and greet where you get to meet your new PenPal and share some refreshments together. Throughout the remainder of the year, you and your PenPal will write letters to one another—back and forth. It will amount to about 1 letter a month to be written. More details to follow!

This is a great opportunity to connect with and support the children right here in our own community while aiding important skill and social development. You may be just what a child needs!

If you can spare 10–15 minutes a month to join us in this fun and important project, please contact:

Thank you for your time and consideration!
