Greater Lawrence Sanitary District
Preliminary CSO Notification

Dear Sir or Madam:

On July 17th, 2019, the Greater Lawrence Sanitary District detected a probable CSO structure activation due to heavy rainfall.

This initial email provides the earliest indication of a possible CSO discharge to USEPA, MassDEP, Shellfish Wardens, Harbormasters, Boards of Health and other interested parties. The District will review all data related to this event and follow up with a separate email, normally within twenty-four hours, called CSO Report/Public Notification.

Regards,
