

Stop Proposed “Village at Cricket Lane” Development off of Pearson Drive

We, the undersigned, register our opposition to the housing development now being pursued by landowners in respect of the land contained within the proposed land area known as “Village at Cricket Lane” located at 55R Pearson Drive.

We note the following concerns that have been raised by neighbors about existing and potential problems:

- Quality of Life – Neighborhood Livability
- Safety – Many Children, Narrow Street, No Sidewalks, Casual Recreation
- Traffic – 283 Daily Vehicle Trips, One Exit and Entrance, Public Safety Access
- Storm Drains – Current Drains Overflow, Impact on Parker River Watershed
- Insufficient Water Supply and Pressure – Public Safety
- Environmental Impact and Wetlands – Compromised Ecological Integrity of Martin H. Burns Wildlife Management Area and Vernal Pools
